Accent Reduction50-01-56

This Accent Reduction Class provides an opportunity for students who speak a nonnative or regional English dialect to develop the key skills they need for pronouncing American English. Students who are familiar with English grammar and vocabulary, but are often misunderstood, will learn to distinguish the sounds of English, and to train their speech muscles to produce those sounds.

Prerequisites: completion of ESL Advanced Low (6) or higher.

Length of Course: 20 weeks.
